Dear Joe,

Thanks for your letter and the enclose press release.

They got here about the time you were getting ready to appear with Gary.

Hope you were well received.

I'd appreciate a copy of whatever you (pl) prepared and if you taped the press conference, a tape of that.

Really, a copy of everything you used.

New witnesses and new evidence does, of course, sound exciting.

I take it that Gary has recovered from whatever he had a problem with. I think I heard that he'd required surgery. I hope so and that it was successful.

Best to you all,

Harold
